

smartbell

quick-select weight adjustable dumbbell

Welcome to the FitRx fam!

Let's get started using your new SmartBell

1. Be sure the dumbbell is properly aligned in the storage tray.
2. Use the handle to turn the quick-select dial to the desired weight.
3. Ensure the plates are attached securely to the dumbbell.
4. Carefully remove the SmartBell from the tray and begin your workout.

Features

Quick-select weight dial

Safety lock for plates

Anti-slip comfort handle

Durable storage tray

Benefits

A full rack of weights in one

Customizable strength training

Convenient space-saving design

Easy wipe-down maintenance

Are you ready?

Warnings

1. Keep away from children.
2. Do not drop onto any surface.
3. This product is not intended for use by persons with reduced physical, sensory, or mental capabilities.
4. Use this product on a leveled surface with adequate clearance around it and above it for the exercises that you will perform. Place only the included SmartBell on the tray.
5. Always wear protective footwear while using this product. Never place your fingers between the SmartBell and the tray.
