

## PRODUCT DETAILS

Our protein shaker bottle has been designed with simplicity, functionality, and elegance in mind.

Our shaker bottle is made of high strength tritan. It's also durable, odor-resistant, stain-resistant, and BPA-free, which means your proteins stay clean. The perfectly curved profile combined with the lid's integrated hanging loop means it sits comfortably and securely in your hand. It's also leak-proof so your gym bag won't leak!

## CARE

Wash thoroughly before use.

For best results, add liquid before adding your powder.

WARNING- DO NOT use hot liquids. Hot or warm liquids may create pressure build-up causing the flip-cap to open and spray contents.

Fasten securely before shaking and always open with care.
